EQUIP 2010 Recap:

THANK YOU! THANK YOU! THANK YOU!

Within minutes of the doors opening Friday morning we had men at the Men of A.I.M. booth saying "we came this year because of the workshops for men's ministry." This was a huge encouragement to me personally and to the other men in the booth. We look forward to where God takes this ministry, and how lives will be impacted. We had a great turn out - roughly 150 at the various workshops plus steady traffic at the booth - and the response was overwhelmingly positive. Both "The Rest of the Bible Story" and of course "Vegetables of the Spirit" triggered great conversations and continued confirmation of what we're doing.

Taking A.I.M. is a ministry of MEN OF A.I.M.

1 Cor 9:26 Therefore I do not run like a man running aimlessly

Action (James 2:17) Integrity (Proverbs 10:9)

Maturity (Hebrews 6:1)

Men of A.I.M. is a program of Faith in the Family International

HOI Christian Movie Central
Jesus taught using stories, not academic exercises. Christian movies have improved in writing, acting, and cinematography - but not in promotion budgets. Each movie recreates a network for information. This effort is about building a foundation of people who want to support Christian films, that can build with each movie release. On the web or occasional emails.

Please forward **Taking A.I.M.** to other men or churches engaged in the Battle for Men's Souls. Submit your events to Rich@MenofAIM.org. Thank you and God Bless!

REACHING EVERY MAN

Introducing A Strategy To Leave No Man Behind

Reaching Every Man (REM) is a 4 hour workshop that walks through the basics of Man in the Mirror’s No Man Left Behind ministry model. It is not a step by step set of instructions, but a collection of concepts that allow you to assess and address ministry to men in your specific situation.

Move beyond the Men’s Ministry roller coaster by creating value, capturing momentum, and - most importantly - sustaining the change to affect eternity.
