TAKING A.I.M.

ACTION...INTEGRITY...MATURITY

A Monthly Communication of Men's Events - October 2011

A Couple Prayer Requests from Men of AIM:

1) Equipping the Man in the Mirror

A few days the 4th quarter issue arrived. This devotional from Man in the Mirror has devotions for Monday-Thursday, then a slightly longer one for the weekend.

In July, MIM asked us to provide a series of devotions, which are now published for the week of November 7-13.

Please pray for these messages on Temptation/Addiction (from "Resist the BAIT, Avoid the Trap") to impact lives!

2) Vegetables of the Spirit update

In the near future we'll be more active on Facebook and blog to drive discussion on the topic of these overlooked Biblical virtues. This "platform" is a key element of the writing/publishing world.

Please pray for connection with men & women to share this message by liking on Facebook or following on the blog:

Facebook: www.tinyrul.com/vegspirit

Blog: www.richgerberding.com

This is not directly tied to "Men of AIM" to avoid confusion of the message being limited to men.

Because He Lives!
